Hiring Manager
University of Missouri-Kansas City
5100 Rockhill Rd, Kansas City, MO 64110

Dear Hiring Manager

Please accept this letter as an indication of my sincere interest in the open role UMKC Student Worker at 'Sodexo' that I have come across. I have nearly two years of experience in the food service industry in a variety of establishments and have good hospitality skills.

I have professional work experience for more than three years in Accenture as an Associate Software Engineer. Having worked at Accenture made me understand how to effectively manage time and plan my day, to be productive and I will ensure that I will be punctual to all my allocated shifts and never be irresponsible.

I completed my undergraduate studies in 2015 from GITAM University, India in Computer Science. After completing my undergraduate studies, as mentioned I started working for Accenture and gained good knowledge in field of "Software Development" and now wanted to pursue master's from University of Missouri-Kansas City.

The food I had during the orientation at UMKC is one of the best lunches, I ever had, and after coming across through this opportunity at Sodexo as UMKC Student Worker, had really excited me and it would be very fulfilling for me to work at your centers.

I am eager to start working with you to take up my twenty work hours per week as per the regulations set by the university and student visa and have a delightful experience working here.

Thank you for your time and consideration. I can be reached via phone (816-529-6625) or email (ggckb@mail.umkc.edu).

Sincerely,
Goutham Gandreddi
